

COMMUNITY USE OF SCHOOL FACILITIES

It is the philosophy of the Town of Cape Elizabeth and its officials, that our facilities are community facilities. These facilities are available to citizens, groups and organizations. Policies and procedures are to balance the intended use, the demand for various uses, the need to maintain and upkeep the facilities and contents, and to provide a safe environment for general use.

There shall be guidelines for the non-school use of the facilities. Rates for rental to commercial groups, non-profit agencies, and community organizations shall be developed and implemented by the Community Services Director.

Community Services Cape Elizabeth Facilities & Transportation Office schedules the use of all school facilities during non-school hours.
