Hello, CTE Director and sending school Superintendents,

Thank you for submitting all the necessary paperwork for your regional school calendar. We appreciate the effort that it entails. Our review shows that you have eight (8) dissimilar days. However, PATHS offers 178 student days, which gives you a discount of three (3) days, and brings your adjusted number down to five (5); therefore you meet the requirements of the law. We will be submitting this finding to the Commissioner's office for approval.

I have attached a copy of the finalized template so you can see how we arrived at this count.

Please feel free to contact me, Doug Robertson, or Meg Harvey if you have any questions.
