

HIGH SCHOOL CO-CURRICULAR and EXTRA-CURRICULAR ACTIVITIES  
ELIGIBILITY and CODE of CONDUCT

Participation in the School Department's co-curricular activities and extra-curricular activities is a privilege, subject to compliance with eligibility rules and conduct expectations. As representatives of the schools, students are expected to exhibit appropriate behavior at all times. This policy is intended to support the physical, social and emotional well being of students and to promote healthy, enriching and safe co-curricular and extra-curricular opportunities for all students.

**A. Eligibility Requirements**

1. Maine Principals Association (MPA) Eligibility Requirements

Students must meet all eligibility requirements of the Maine Principals Association for participation in athletics (see applicable sections of handbook on MPA website: <http://www.mpa.cc/>). 2. Academic Eligibility

- b. Incoming ninth graders and high school students who are failing **one** course in a quarter will be placed on academic probation and will remain on probation until the next ranking period, at which time his/her standing will be reassessed based on the quarter grade, not on the semester or final grade..

A student on academic probation is allowed to continue program participation during the probationary quarter providing that:

- A recovery plan is developed (a recovery plan must be initiated by the student, developed in conjunction with the teacher, and focused on positive, corrective action to achieve a passing grade in the failed course) within two weeks from the issuance of report cards. Coaches/advisors are also encouraged to participate in the development/monitoring of the recovery plan; and
  - If a recovery plan is not developed and implemented within two weeks from the issuance of report cards, or the student fails to comply with the plan, the student will be immediately ineligible.
- c. A student failing **two or more** courses in one quarter is ineligible upon the issuance of report cards and for two weeks thereafter. If, after two weeks, the student is passing all courses, he/she will be placed on academic probation and be subject to the requirements of Paragraphs A.1-2 above. If the student is not passing all courses at the end of the two-week period, he/she shall remain ineligible for the remainder of the quarter.

HIGH SCHOOL CO-CURRICULAR and EXTRA-CURRICULAR ACTIVITIES  
ELIGIBILITY and CODE of CONDUCT

- d. At the end of the academic year, a student's eligibility for activities in the following year is assessed based on the final grades achieved in courses.
  1. If an appropriate summer school or other course is available, a student with failing grades may apply to the Principal to make up a course for eligibility purposes. Such requests must be made in writing prior to enrolling in the course. The Principal shall consider such requests on a case-by-case basis in consultation with the teacher of the failed course and the student's guidance counselor.

3. Other Athletic Eligibility Requirements

- a. Before a student may participate in co-curricular/extra-curricular activities, he/she must have (a) a signed parent/guardian permission form and (b) a co-curricular/extra-curricular rules acknowledgement form signed by the student and his/her parent/guardian.
- b. **B. Attendance Expectations**

1. Participants are expected to come to school ready to learn on all scheduled school days. Any student who misses any portion of the school day unexcused may not participate in co-curricular or extra-curricular activities that day. In order to participate in a game, practice or other activity, a student must arrive at school (or their school-approved program) no more than 15 minutes after the start of classes and remain in school for the entire day. The only exceptions are for pre-scheduled medical appointments, driver's license tests or other similar appointments.
  - a. The Maine Principals Association requires that student-athletes have regular attendance and actively participate in team practices and competitions.

HIGH SCHOOL CO-CURRICULAR and EXTRA-CURRICULAR ACTIVITIES  
ELIGIBILITY and CODE of CONDUCT

3. Any school disciplinary consequence such as detention has priority over co-curricular or extra-curricular activities.
4. Students suspended from school shall not practice, participate, attend or compete in co-curricular or extra-curricular activities during the suspension.

**C. Conduct Expectations**

1. Students are required to abide by all Board policies, school rules and any additional rules, and/or training guidelines imposed by coaches or advisors. Any additional rules and/or training guidelines must be consistent with Board policies and be approved by the administration.
2. Student use of alcohol, drugs and tobacco is illegal and negatively affects student health, safety and performance. Students participating in co- and extra-curricular activities carry a responsibility to themselves, their fellow students, coaches/advisors, parents and school to set the highest possible example of conduct, sportsmanship and training, which includes avoiding any involvement with alcohol, drugs and tobacco. Therefore, students participating in co-curricular and extra-curricular activities may not engage in the prohibited conduct described in Policy JICH (Student Alcohol, Drug and Tobacco Use) at any time or place from the beginning of the student's first co-curricular or extra-curricular activity of the school year (including pre-season) through the end of the school year (including any tournaments, championships and associated activities).
  - a. A student may self-report a violation of this policy to an administrator within two school days and not forfeit the opportunity to participate in co-curricular or extra-curricular activities. This option is only available once in a student's High School career. A self-report may not be made after the school has received a report of a possible violation. The student must meet with a school social worker or guidance counselor and comply with any action plan developed. If the student fails to comply, the disciplinary consequences below may be imposed.
  - b. The following consequences are in addition to any other consequences imposed for violations of Policy JICH. Consequences carry over to the next season, activity and school year as necessary. Students will be referred to a school social worker or guidance counselor and must comply with any action plan developed or face additional consequences.
