A goal of the Cape Elizabeth School District is to attract and retain quality staff. Therefore, persons who are actively employed on a fulltime basis by the Cape Elizabeth School Department may have their children enrolled, without paying tuition, provided the administrative conditions established for all non-resident students have been met and affirmed by the Superintendent, that space is available, and that the educational needs of the student can be met with existing district programs.

Staff requests for tuition waivers must be made annually by March 1 of the prior academic year. In all cases, the Superintendent has the ability to review special circumstances and to make a decision based on the best interest of the Cape Elizabeth School District.
