

Town of Cape Elizabeth
Community Services Committee
Meeting Minutes
11/20/2019

Attending: Andrea Ernst, Amy Lombardo, Sarah MacColl, Jill Palmore, Terri Patterson and Tara Simopoulos

Absent: John Mortimer

Meeting opened at 5:35.

Kathy Raftice updated the committee:

Winter brochure is done and online. A smooth, quick process this year, a month earlier than in years past. In the mail 12/5, registration begins 12/15.

Shawnee Peak: Only two buses this year.

High School swimming has begun, more limited pool hours for the public.

Cyclones swim program: great meet last Friday night.

New timing system for the pool is working very well. We will charge outside clubs for use of the timing system.

CECS interviewed another part time employee to share the Youth/Fort Williams/Other CECS work

Basketball: things are going well. Travel as well as Rec Girls ended up with enough girls for combined teams for 5-6 and 7-8 grades. Jeff Mitchell is trying to grow the girls program.

Holiday Open House will happen December 7. Big crowd last year for kids craft making.

December 19 holiday party at Purpoodock 11:45 -1:30. Don Campbell will perform again.

Fort Williams: all rentals for all facilities now go thru CECS. Reservations open for CE residents 12/1/19. Work on website and info flow is going on to make the rental process more user friendly. New visitation fees on trolleys and buses were approved.

The closed children's slide at the Fort: the bottom will be extended to make stops more gradual. The original funder (a family) has agreed to pay a lot of the changes.

There will be a lot work at the Lighthouse area this winter.

Parking meters have been removed as planned for the winter.
