

Conservation Commission Minutes

January 24, 2012

Present: John Marchewka, John Planinsek, Garvan Donegan, Richard Bauman, Mitch Wacksman, Marti Blair, Town Planner Maureen O'Meara

Meeting called to order at 7:01 p.m.

1. Citizen Comments. None.
2. Minutes of January 10, 2012 were reviewed and unanimously approved.
3. Correspondence. The Planner presented the Great Pond Boat Racks 2011 Season Report for review. The first word of the Introduction should be 2011, not 2012. The Report will be transmitted to the Council on behalf of the Conservation Commission.
4. Gull Crest Outer Loop Trail improvements. At the trail walk/inspection, it was determined that a total of 1100 feet of trail would be required to address all the wet areas. The original amount of 750 feet would leave a lot of bad spots. The per-foot price would be cheaper if more trail is constructed. The trail would be 16 inches wide, using 3 inches thick by 8 inches wide by 8 foot long hemlock lumber.

Motion: To recommend that option #2 of L.P. Murray & Sons, Inc. contract for installation of approximately 1150 feet of boardwalk on the Gull Crest Trail Outer Loop be accepted.
