Bob,

Do you have any comments on the draft camperee application I sent over for Gull Crest?

Maureen

Maureen,

I have reviewed the proposal from the Casco Bay District of the Pine Tree Council, Boy Scouts of America. The proposal was well written and informative. I am honored that Troop 30 of Cape Elizabeth has offered to host the 2015 Fall Camporee in our community. I think the Gull Crest property will be an excellent venue for the event and will provide an outdoor experience that the participating Scouts will enjoy.

The group needs to keep access to the fueling island open as the School buses and Police Department. will need to access the pumps at the end of their shifts. Other than this reminder, I believe their submittal addresses all of the logistical issues such as safety, sanitation and refuse disposal to my satisfaction.

Regards,

Bob
