Hello Maureen,

On National Public Lands Day (Saturday, June 4 this year) CELT has offered a "**National Trail's Day Cross Town Walk.**"

I am wondering if you or a Conservation Commission committee member would want to co-lead the walk with me and Kathleen Janick this year. It would be a great time to showcase the new signage and talk about natural and historical value of Town and CELT properties along the trail.

Please let me know if you or a committee member has any interest.

We will be getting the description to Community Programs next week so if there is interest and we were to list a co-leader - would need the name by end of next week if you wanted it to appear in the description.

Thanks so much,
Cindy

Cindy,

I have forwarded your email to the Conservation Commission and hope they will discuss it at the February 9th meeting.
