Routine Greenbelt Trail Management Public Forum Dogs on Greenbelt Trails

The Cape Elizabeth Conservation Commission will be hosting a public forum to hear comments about dogs on the Cape Elizabeth Greenbelt Trails. This meeting is a routine management effort by the Conservation Commission to hear how things are going, suggestions for better management, and feedback on what is currently going well.

In March 2015, the Conservation Commission reviewed dogs on greenbelt trails at the request of dog owners who wanted to preserve greenbelt access. After a general use assessment, which included public comment from dog owners, the commission agreed to install additional signage regarding dog waste and add a pet waste station. The Conservation Commission also committed to holding a follow-up assessment meeting in Spring, 2016. This meeting fulfills that commitment. Please contact the Town Planner at 799-0115 or maureen.omeara@capeelizabeth.org with any questions. We hope to see you June 14th.
