Hello Maureen-

Attached please find the 2018 annual monitoring reports, along with a map. Please let know if you have any questions. I'd like to suggest that we add the monitoring of the Cross Hill property to the June agenda(if there is time) to discuss the infringements onto town land, and the potential expansion of trails on Town farm.

It was really helpful to walk all the boundaries with Mark. Chris and I truly appreciated the company with another set of eyes to locate all of the property boundaries.

Suzanne
