Spurwink Boardwalk and Bridge

November 1, 2018

Scope of Work:

Strip existing pressure treated decking and install new decking and railings (color TBD) at Spurwink Boardwalk Bridge. This is a labor and materials price.

Demo and Carting:

Remove existing decking from frame work and dispos of.

Properly dispose of all construction debris.

Decking and rails:

Supply all labor and materials to properly install new decking and rails.

Pricing:

High grade pressure treated wood decking (1.5"x5.5")

Labor: 3workers 45.00 per hr. 2 weeks

\$10,800.00

Temp. power: 250.00 per week	\$500.00
Hardware (coated screws and galv. lag bolts)	\$2237.00
Frame repair allowance	\$1000.00
High grade pressure treated lumber	\$4739.00
Total:	\$19,276.00

Composite Material Decking (.94"x5.5") Priced using Trex Brand

Labor: 3workers 45.00 per. hr. 2 weeks	\$10,800.00
Temp. power: 250.00 per week	\$500.00
Hardware (coated screws and galv. lag bolts)	\$2,237.00
Frame repair allowance	\$1000.00
Trex decking and curb (.94"x5.5" color TBD)	\$17,164.00
Total:	\$31,701.00

Composite Material Decking (1.3"x5.5") Priced using Trex Brand

Labor: 3workers 45.00 per. hr. 2 weeks	\$10,800.00
Temp. power: 250.00 per week	\$500.00
Hardware (coated screws and galv. lag bolts)	\$2237.00
Frame repair allowance	\$1000.00
Trex decking and curb (1.3"x5.5" color TBD)	\$29,021.00
Total:	\$43,558.00

Note: This is a labor and material price for work stated above. Existing conditions may not allow for installation to manufacturer specifications, without frame repair. All frame repair over allowance will be perapproved, and billed at \$50.00 per hr. plus materials at cost plus 15%.

Thank you for allowing us the opportunity to provide you with this estimate. We look forward to moving ahead with this project.

Sincerely

Jordan Gower
