Maureen,

You may have already done this, but in follow up to our brief discussion about the size of the new CHB sign I have enclosed a picture of Winnick Woods with dimensions as well as the existing sign at CHB and its dimensions. My thoughts are that the Winnick Woods sign (48" x 32") is plenty big and it could be placed on the existing post that the town installed last year. The existing CHB sign is 36" x 24".

I have to work Monday evening and won't be able to attend the council meeting. Thanks for all your work on this, I think we have reached a good conclusion.

Tony Owens
