

Welcome to the Cape Elizabeth Greenbelt

The Cape Elizabeth Conservation Committee is the steward of the greenbelt and requires all trail users to abide by the following rules:

- Be courteous of all trail users. This is a multi-use trail network and trail users must share the trail with other users.
- No alteration of vegetation on town open space is allowed without permission of the Conservation Committee.
- Dogs must be under voice and sight control at all times or must be on a leash. (See Chapter 7, Dog Ordinance)
- All dogs must be on a leash in and within 10' of a municipal parking lot.
- Dog waste must be removed from town open space and deposited in a litter receptacle.

- Failure to control a dog on municipal property may result in loss of off-leash privileges.

Please visit the town website, www.capeelizabeth.com, for all town open space management policies including the Conservation and Dog Ordinances.
