Good afternoon Bob,

I recently received this email below, via the FWP Foundation website. It was addressed to the Advisory Commission, not the Park Foundation.

I assume you will forward to the appropriate person(s)?

Please let me know if you have any questions.

Best Regards,

Dianne Manning

Subject: Children's Garden Parking

Dear Advisory Committee,

I am writing today to complain about the new parking adjacent to the Children's Garden at Fort Williams.

If indeed the mission of the advisory group is to preserve the natural beauty of the park, then I feel that adding more parking to this particular area detracts from that beauty. I do not recall seeing cars in the original drawings for the renovations at the Children's Garden. To my eye, the park is beginning to look half like a parking lot and half like a park.

If possible, I would like to see parking restricted for the Children's Garden to the area near the old firehouse or to the larger, paved parking area adjacent to the baseball field.

Please contact me at your convenience.

Sincerely,

Cooper Dragonette

Cape Elizabeth, Maine
