Subject: Re: Fwd: Fw: Request For Granite Dog Bowl in Memory of Linda Foster

To: Robert Malley <robert.malley@capeelizabeth.org>

Hi Bob -

I did miss the first email so thanks a lot for following up. In lieu of a bench request, an informal group of dog owners are planning to request permission to install a granite dog bowl near Tup's bench in memory of Linda Foster. My wife Ronnie is the lead in this effort which has the "blessing" of Linda's family. There will be no need for a water source as we expect to carry water from the existing Gun Shed source. We are working with Jay Richardson whose company did Tup's bench in 2010 and Linda's headstone over at Highland Memorial in SoPo. We will have a sketch and specifications of the bowl which we will present at the meeting.

Thanks again, Bob, for getting us on the agenda.

Sincerely,

John Kane
