Public Notice
To residents adjacent to land
under consideration for Rezoning

The Cape Elizabeth Planning Board will hold a workshop on **Tuesday, September 6, 2011 beginning at 7:00 p.m in the Town Hall**. At that meeting, the Planning Board will consider a referral from the Town Council to remove two land parcels from the designated growth areas by changing the existing zoning district from RB to another zone. A change in the zoning district designation does not preclude the land from being developed. The parcels are located off Ocean House Rd and Locksley Rd and shown on the maps below. Public comment is generally not allowed at Planning Board workshops. For more information or to provide written comments to the Planning Board, please contact the Town Planner at 799-0115 or maureen.omeara@capeelizabeth.org.
