

MEMORANDUM

TO: Cape Elizabeth Planning Board
FROM: Conservation Commission
DATE: November 9, 2011
SUBJECT: Resource Protection Permit Reviews

The Conservation Commission reviewed the Resource Protection Permit applications on the November 15, 2011 Planning Board agenda at the November 8, 2011 Conservation Commission meeting. The Conservation Commission is making the following recommendations:

EOIN LLC permit

The Conservation Commission recommends to the Planning Board to allow grading of 669 sq. ft. for a house (4-0).

Fox Run Farm permit

The Conservation Commission recommends to the Planning Board that work be allowed to grow blueberries (4-0).
