Important mainly because of the words in the message.

All,

We, Jennifer and Frederick Aronson, are currently homeowners at 27 Lawson Road. We can not attend the meeting 9/21 regarding "rental" properties in Cape Elizabeth.

To keep it simple, I will simply say we 100% support the Grennon's letter to the town.

Currently, we have 3 close properties that are potential rentals:

1. 21 Lawson-long term rental with family but that could change.
2. 31 Lawson-during school year single family who have moved so unsure what will happen. During summer, different family every week or two.
3. 35 Lawson-owner died this past year, not sure if family will keep and rent

There are other properties on our short street that are also used as rentals.

Weekly renters change the quality of a neighborhood. They are transient and therefore not really accountable to the neighbors. There is a feeling that you are living with strangers which feels unsafe. They often drive to fast for our short road. They often have visitors who park more cars.

The Grennons have expressed all the other important issues so I won't go on.

Please understand how concerned we are for our safety and all

around quality of life.

Jennifer and Frederick Aronson
