SEC. 19-8-14. SHORT TERM RENTAL STANDARDS

A. Purpose

Cape Elizabeth residents prize the peace and quiet of their residential neighborhoods. Some property owners have capitalized on the desirability of their neighborhood by renting out their property, especially during the summer months and holidays. Neighborhood residents are concerned that these short-term rentals take on the character of a business operating in a residential neighborhood. The purpose of this section is to balance the desire of property owners to rent their properties to short-term tenants and the desire of residents to preserve the peaceful quiet and enjoyment of their residential neighborhoods.

B. Applicability

A Short Term Rental is permitted only after the issuance of a Short Term Rental Permit, provided however that Short Term Rentals not exceeding in the aggregate 14 days in any calendar year are permitted without obtaining a Short Term Rental Permit. A Short Term Rental of less than three days is not permitted.
