Dear Maureen,

The town council voted on Monday, February 11, 2013 to refer the following item to the planning board.:

Item# 38-2013 Limited Summer Day Camps

Councilor Sherman has requested that that the Town Council refer to the Ordinance Committee an amendment to the zoning ordinance that would make limited, summer day camps a permitted use. Limited summer day camps operated by enterprising teenagers and adults have offered entertainment and camaraderie in Cape Elizabeth for many summers. These "camps" are small and neighborhood focused, but due to an interpretation last summer by the former code enforcement officer, they are not permitted. The amendment could include a definition that keeps these summer camps small and limited, and allows them as a permitted use.

As this would require a zoning ordinance amendment, it is recommended that this request be referred to the planning board.

The item was referred solely to the planning board and will not be taken up by the ordinance committee until after the board's recommendation has been received.

Thank you for bringing this issue to the attention of the board.

Mike
