RE: Amended Minor Subdivision, Golden Ridge Lane

Dear Maureen:

This letter follows our conversation from this morning regarding the Golden Ridge Lane subdivision plan. The Plan was approved on April 22, 2013. The Plan is to be recorded within 90 days from approval. I understand the Plan was signed last night by the Board. You have advised me today, however, that you believe one of the Notes needs to be changed to comply with one of the conditions of approval. Since the Plan needs to be recorded by July 21, time is short. Accordingly, Golden Ridge Lane LLC is hereby respectfully requesting a 90 day extension to the time for completing the recording of the Plan, as allowed under the Ordinance.

I understand that this letter suffices to make this extension request. If there is anything further that we need to do, please let me know at your earliest convenience as I anticipate being on vacation this coming week.

As always, thank you for your consideration in this matter.

Very truly yours,

Leslie E. Lowry, III
