RE: Good Table Restaurant Seating Request

Dear Michael,

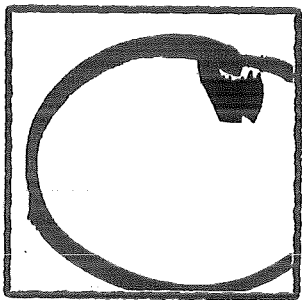

Lisa and Anthony Kostopoulos have requested a meeting with the Planning Board for the purpose of increasing their allowed seating from 75 to 100. The restaurant is currently in the Business District A Zone (BA). Section 19-6-5.D.1.g states that restaurants shall be limited to no more than 80 seats. For this reason, a zoning change is required before the Planning Board can approve this increase in seating.

Sincerely,

  
Benjamin McDougal

To whom it may concern.

The Good Table Restaurant requests a meeting with the planning board. We would like to expand our seating capacity from 75 to 100 seats. We have the parking on site already to support this move. Since often times between quests in seats and quests waiting on the porch for a table we have 100 people her already we don't feel this will impact the town and its desire to remain quaint.

We thank you very much for your help in this request.

Best,
