## 14 SEC. 19-6-14. SPECIAL EVENT FACILITY OVERLAY DISTRICT

### 15 A. Purpose

16  
17 The purpose of this district is to allow small scale, hospitality venues on large  
18 properties in the residential zoning districts (RA, RB, RC) where there is a buffer  
19 from abutting neighborhoods. Cape Elizabeth has historically been an attractive  
20 destination for visitors. Landowners have made their property available  
21 seasonally for private special events both to share the picturesque beauty of the  
22 Cape Elizabeth coast and to generate revenue. When relatively isolated, these  
23 events are consistent with the town's residential character, but must also be  
24 managed to protect the public health, safety and welfare of town residents and  
25 event guests and staff.

### 26 B. Permitted Uses

27  
28 The Special Event Facility Overlay District is an overlay zone that may be  
29 applied over the Residence A, Residence B, and Residence C base zoning  
30 districts. As such, any use that is permitted in the underlying zoning district is  
31 permitted in the Special Event Overlay District. In addition, notwithstanding the  
32 underlying zone, the following use is also permitted:

33 Special Event Facility

### 34 C. Conditional Uses

35 Any use that is allowed as a conditional use in the underlying zoning district is a  
36 conditional use in the Special Event Facility Overlay District.

### 37 D. Prohibited Uses

38  
39 All uses not specifically allowed as permitted uses or conditional uses in the  
40 underlying zone or in the Special Event Facility Overlay District are prohibited in  
41 the Special Event Facility District.

1  
2 **E. Standards**

3  
4 **1. Performance Standards**

- 5  
6 a. The general standards of Articles VII and VIII shall be observed.  
7 b. All uses of land and buildings within the Special Event Facilities  
8 Overlay District shall conform to the applicable provisions of Sec.  
9 19-8-15, Special Event Facility Standards.

10  
11 **2. Space and Bulk Standards**

12  
13 In addition to the Space and Bulk Standards of the underlying district, all  
14 use of land within the Special Event Facility Overlay District or any other  
15 district shall comply with the standards set forth in this subsection. In the  
16 event of a conflict between the standards of this overlay district and those  
17 of the underlying district, the more restrictive standards shall apply:  
18  
19

<b><u>MINIMUM LOT AREA</u></b>	
<b><u>(1) Special event facility</u></b>	<u>15 acres, all of which must be included</u> <u>in a Special Event Facility Overlay</u> <u>District</u>  <u>To comply with the special event</u> <u>facility minimum lot area, the total area</u> <u>of (i) the lot where the special event</u> <u>facility is located, and (ii) any other lot</u> <u>held in common ownership and sharing</u> <u>any portion of a lot line boundary with</u> <u>the special event facility lot may be</u> <u>counted toward the minimum lot area.</u>

20  
21 **F. Site Plan Review**

22  
23 The following uses and activities shall be subject to site plan review by the  
24 Planning Board, according to the terms of Article IX, Site Plan Review, prior to  
25 the issuance of any building permit, plumbing permit or other permit.  
26

2 A special event facility shall conform to the following standards.  
3

4 1. Procedure

11 accordance with the Site Plan Review procedures, Sec. 19-9-

11     including guests and staff supporting the event.

25     temporary structures and facilities are adequate to comply  
26     with the Site Plan standards when the special event facility  
27     will only operate seasonally and the seasonal needs are met.  
28     In particular, methods of providing parking and sanitary  
29     waste disposal on a seasonal basis may be appropriate for
