

MEMORANDUM

TO: Cape Elizabeth Planning Board
FROM: Conservation Committee
DATE: November 8, 2016
SUBJECT: Portland Water District Spurwink Pump Station RP permit

The Conservation Committee reviewed the Portland Water District plan at the November 8, 2016 meeting.

By a vote of 6-0, the Conservation Committee voted to recommend approval of the Resource Protection Permit with the condition that an inspection be conducted following installation of the pipe to confirm the area has been restored to original grade and revegetated.
