- 4) Recycling Center Updates and Rates
Bob Malley:
went over the rates of recycling

made note of the upcoming E-Waste collection on March 16th being held by the CEHS Safe Passage team.

will be attending a food waste composting meeting at Ecomaine

also noted that in February 1.5 tons of food waste from the High School was diverted from our solid waste to the composting pilot program

- 5) Promotional Items Update
The committee discussed the brochures, magnets and frisbees that have already been received. Everyone is pleased with their appearance and usefulness.
.More magnets will be ordered. Jessica Simpson located a recycling coloring book that will be ordered so that we have them on hand for Family Fun Day on June 15.

6) 2013 Outreach/Goals Plan

Peter Frye moved, David Ernst seconded a motion to accept the draft goals and work plan for 2013

Discussion: John Kane suggested that the goal of the Recycling Committee Members to be available at the Recycling Center several times a year should be replaced with twice a year; once in the spring and once in the fall. Peter Frye amended his motion and David Ernst amended his second to accept the draft goals and work plan for 2013 with the change John Kane made. Committee voted unanimously to accept.

7) Courier Articles

Jamie Garvin will be writing a piece for May detailing What's New at the Recycling Center.

8) Scheduling RC time at Recycling Center

John Kane will create a schedule for time slots at the Recycling Center for the May 11, 2013 E-Waste and Hazardous Waste collection day.

9) Other Business

Jamie Garvin brought the committee's attention to an article that he found online at the Portland Press Herald site detailing the City of Portland discussing a move to ban plastic and polystyrene. Patt Bothel will speak to the Cape Business Alliance regarding their position on this in April.
