Welcome

Chairman Brooking called the meeting to order.

Approval of Minutes – May 27, 2009

Moved by Gerald Sherry and Seconded by Frank Leavitt to approve the minutes of the meeting held May 27, 2009 as presented.

Motion passed unanimously.

Request to Purchase Lots – Ronald & Marla Bonneau

Moved by Gerald Sherry and Seconded by Frank Leavitt to deny the request of Ronald & Marla Bonneau to purchase a lot for the future burial of their cremains. The denial is based on the fact that the past residency was not what the trustees consider long term (nearly 15 years). Although Mr. Bonneau served as Assistant Principal at Pond Cove Elementary for 3 ½ years before retiring, the trustees didn't feel this employment was basis for approval.

Motion passed unanimously.
