

Library Director's Report

June 2016

Building Project

- Sculpture ~ Architect is revising site plan to submit to planning board
- Noise Issue ~ Received a quote from a vendor. Solution seems valid, but concerned with the price
- HVAC Issues ~ System was not cooling as should. Warranty and maintenance work solved the issues

Summer Reading Program

- Over 500 patrons of all ages are signed up for it
- Programs are well attended and popular for youth, teens, and adults.
- Working on getting shirts and tote bags with the SRP design on it for prizes and fundraising
- Pollinator garden is a go and progressing

Staffing Updates

- Creative Programming Librarian
 - Received 40 apps
 - Working on reviewing and selecting those to phone interview
 - Hope to conduct in-person interviews by end of July and offer position by early August
- Technical Services Dept
 - Working with Jenny to streamline and optimize workflows with the combination of the 1 ½ positions into one in that dept
