

S.O.A.R. Exercise

Please write a list of up to 10 words or phrases for each category. Use the questions to help you think about the library and its **Strengths**, **Opportunities**, **Aspirations** and **Results**. Use another sheet or the back of this sheet if you need more space.

<p>Strengths (Present): What are the library's greatest strengths? What is working well?</p>	<p>Opportunities (Present): What are the best opportunities? What are some possibilities that could happen now or in the near future?</p>
<p>Aspirations (Future): What are your hopes for the library in the future? What would you like to see as priorities for the library?</p>	<p>Results (Future): How will you know you have succeeded? How will you be able to tell that the opportunities and aspirations have been realized?</p>
