

Petition and Passive Engagement Policy

The Thomas Memorial Library, as a “limited public forum” has the authority to make reasonable rules that are universally applicable regarding the allowed use of the library buildings and property, including content-neutral restriction of conduct involving petition gathering, passing out literature, and other passive engagement. The public sidewalks on and around library property are a traditional public forum subject to reasonable time, place and manner restrictions on those wishing to use them for purposes protected by the First Amendment. As such, the Library allows such petition and passive engagement outside of our facilities.
