Re: Comments on Cottage Brook Easement in Support of Amended Subdivision Plan

Dear Maureen:

I have reviewed the materials from the Town pertaining to the above-referenced matter. I assume you are seeking my comments on the form of the proposed easement into the Town for creation of public sidewalks within the subdivision. I see no problems with the proposed deed.

Please let me know if you have any questions or if I can provide further input on this issue. Also, please let me know if you want my comments on any other aspect of the proposed Amendment.

Very truly yours,
