Re: Financial Reports- End of 2nd Quarter

Date: January 3, 2011

We are now half way through the year and are in excellent financial condition.

Non-Property Tax Revenues

We have collected 56.4% of budgeted revenues compared to 58.4% a year ago.

Revenues are \$56,862 less than year ago or a drop of 3.0%

Revenues are \$282,000 less than in FY 2008 or a drop of 13.6%.

The only significant revenue shortfall is investment income. The annual amount budgeted is \$81,000. We are now projecting \$25,000 in income due to low short term investment rates.

The June 30, 2011 projection for all budgeted revenues shows revenues will be at 100.3% of budget. If the overlay is added, revenues will be \$410,000 above budget.

State revenue sharing has declined each year since FY 2008. The drop is 10.6%.

Excise Tax income has declined each year since FY 2006. The cumulative drop is 12%.

Property Tax Revenue

The total tax commitment was \$24,277,080. The balance owed is \$12,052,919. This is a 50.3% payment rate. This is the first time we have ever had more than half the taxes paid as of the six month point of the fiscal year.

Expenditures

Aside from weather occurrences, budgeted levels are anticipated to track close to budgeted levels to the end of the fiscal year. General assistance expenses will be over budget assuming present trends continue.
