

**June 30, 2011 Town Council Workshop with CELT Board
Agenda**

Purpose: To continue dialogue concerning the Council's request regarding the relocation of the Shore Road Pathway into Robinson Woods I.

[Public Comment]

- A. Reasons for the request of the Shore Road Pathway Committee and the current Council
 - 1. 2008 Plan
 - 2. Avoidance of removal of mature trees/blasting of ledge
 - 3. Cost savings
 - 4. Preservation of the character of that stretch of Shore Road, an area of scenic beauty
 - 5. Increase of public access to Robinson Woods I
 - 6. Integration of trails and connections
 - 7. Would increase public enthusiasm for Robinson Woods II fundraising campaign
 - 8. Would provide tangible evidence of a functioning two-way partnership

- B. Basis for CELT's decision in 2009
 - 1. Easement
 - 2. Shore Road Pathway design as of 2009
 - 3. Other considerations
 - 4. Follow up inquiries with Maine Coast Heritage Trust?

- C. Town's easement for public access on Robinson Woods II

- D. Possible next steps
 - 1. Site visit of the Shore Road Pathway/ Robinson Woods I
 - 2. Possible modifications to path route near Robinson Woods I
 - 3. Joint follow up with Maine Coast Heritage Trust
 - 4. CELT Board meeting / "official" vote
 - 5. Town attorney legal opinion
 - 6. Further meetings between Town Council and CELT

- E. Other issues
 - 1. Update on LMF Grant
 - 2. Impact on CELT's funding plan
 - 3. Purchase and Sale Agreement
 - a. Fully executed? (Copy for Town)
 - b. Timeline to raise funds?
 - c. What deposit is at stake?
