Dear Maureen,

The town council last night referred to the ordinance committee a review of "vendor locations" at Fort Williams Park. More specifically, the town council would like the committee to review with Tom Leahy legal aspects of ordinance provisions relating to the rights of street artists to utilize the park for the sale of their goods.

Please coordinate with Kathy Ray the scheduling of a meeting which is to include Tom Leahy and representation from the Fort Williams Advisory Commission.

Thank you very much.

Mike
