18 **SEC. 19-8-15. SPECIAL EVENT FACILITY STANDARDS**

19
20 **A. Purpose**

21
22 Cape Elizabeth’s coastline has historically made it an attractive destination for
23 visitors. In the sparsely settled areas of town, small scale hospitality venues have
24 evolved on large properties. Landowners have made their property available
25 seasonally for private special events both to share the picturesque beauty of the
26 Cape Elizabeth coast and to generate revenue to maintain the property. When
27 remotely located, these events are consistent with the town’s rural character, but
28 must also be managed to protect the public health, safety and welfare of town
29 residents and event guests and staff.

30
31 **B. Applicability**

32
33 Special event facilities, as defined in this ordinance, are subject to Site Plan
34 Review, Sec. 19-9, and the Special Event Facility Standards of subsection D
35 below.

1
2 **C. Review Procedure**
3

4 A special event facility shall be reviewed as a Site Plan application in Sec. 19-9 of
5 this ordinance.
6

7 **D. Standards**
8

9 A special event facility must comply with the Site Plan Approval Standards, Sec.
10 19-9-5, and the standards below.
11

12 1. Event scope. A special event shall not exceed 275 attendees in size,
13 including guests and staff supporting the event. No more than 24 events shall be
14 held in a calendar year. No amplification of music for the event shall commence
15 earlier than 9:00 a.m. nor extend later than 10:00 p.m.
16

17 2. Seasonal facilities. The Planning Board should permit the use of
18 temporary structures and facilities to comply with the Site Plan standards when
19 the applicant has demonstrated that the seasonal needs of the special event
20 facility are met. In particular, methods of providing parking and sanitary waste
21 disposal may be appropriate for the duration of the special event season.
