Committee No. 1: Library Planning Committee

Committee No. 2: Conservation Commission

Address: 5 Wilton Lane

Home phone:

unlisted: Yes

Work phone:

Occupation: Architect

Employer: Charette Design

Why these boards?: Working as an Architect I have experience with planning and development, I enjoy using the library and believe it is a community asset that requires careful attention to the host of decisions associated with renovating / rebuilding.

I am also an avid trail user and believe that open space and trail connections make Cape Elizabeth a great place to live.

Skills/Talents: I am a registered architect and own my own company. I have the ability and understanding to assess designs and solutions to building scenarios and can provide input based on experience concerning cost and construction methods.

Previous Service: AIA Maine executive board of directors - 2011 current secretary on Board. Conduct 4th grade walks at Robinson woods with CELT - 2nd year.

Committee No. 1: Fort Williams Advisory Commission

Address: 305 Delano Park

Home phone: ?

Work phone:

unlisted: No

Occupation: Retired

Why these boards?: As I live next door to Fort Williams Park, I tend to walk there several times a week.

Skills/Talents: When employed, I was responsible for large manufacturing organizations. I was also a consultant for troubled companies and for a number of non-profits.

Previous Service: Founding board member: Southern Maine Conservation Coalition.
Board member: Environmental Funder's Network, (Maine Community Foundation).
Board member: The Reach Center, (Maine Community Foundation).

CHRISTOPHER H. CORBETT
305 Delano Park
Cape Elizabeth, ME 04107

Non-Profit Activities

Merrimack Valley Community Foundation/ Essex County Community Foundation.

For three years I was the Managing Director of the Merrimack Valley Community Foundation in Massachusetts, (pro bono). After protracted negotiations, I was able to merge the foundation with another, (Essex County Community Foundation.)

PEP Direct/ Paralyzed Veterans of America.

As an "outside" board member of a private manufacturing company owned by two non-profits, (Paralyzed Veterans of America and Eastern Paralyzed Veterans of America), I facilitated a successful resolution of ownership issues. Because the two owners were antagonistic, the process continued for almost three years and required intense mediation.

Executive Service Corp of New England.

I was an ESCNE consultant from February 1999 to August 2007 when I moved to Maine. ESCNE provides consulting services to non-profits throughout New England.

Other Boards.

Family Service, Inc.	Lawrence, MA	Executive Committee
Groundwork Lawrence	Lawrence, MA	Founding Board member
Essex Country Community Fdn.	Topsfield, MA	Trustee
Hurricane Island Outward Bound School	Rockland, ME	Corporation

Current: Greater Portland Area.

Compass Project: volunteer -- helped students from Casco Bay High School build skiffs.

Southern Maine Agency on Aging: Capacity Corps volunteer.

Gulf of Maine Research Institute: Education Committee.

Board member: Reach Center - Maine Community Foundation

Chebeague and Cumberland Land Trust

Southern Maine Conservation Coalition

Environmental Funders Network - Maine Community Foundation

Other.

B.A. Yale University, 1963. M.B.A. Northeastern University, 1970.

U.S. Navy, 1963-1967. Weapons Officer, DE 1030.

Polaroid Corporation, Senior Plant Manager, 1969- 1982.

Committee No. 1: Fort Williams Advisory

Address: 18 Old Ocean House Road

Home phone:

unlisted: No

Work phone:

FAX:

Occupation: Physician

Employer: Max Health Maine LLC (Self)

Why these boards?: I have lived in Cape Elizabeth for 20 years, since 1993. I am interested in preserving and enhancing the use of the Fort Williams Park, and learning more about what we can do to preserve its historical structures. I have more recently been involved in other volunteer activities outside of the Cape Elizabeth. I would like to rekindle local involvement in my own community at this time. Fort Williams is an incredible resource, and part of our town's "heart". I would like to understand better its issues, and perhaps play a role in strengthening its positioning, financing, and preservation for the future.

Skills/Talents: I have served as a board or committee member in many organizations, and though I feel in this case I would need to listen and learn committee/fort history first, my skills involve, envisioning, developing, organizing, and drumming up support/advocating for ideas and projects. I am good at recruiting others to get involved (Although with our progressively busy lives this becomes more and more difficult). I do not have strong financial skills, but am knowledgeable and am interested in understanding the needs of the Fort Williams Park better, before advocating for one or more need or project there. It is an invaluable resource for our community and beyond.

Previous Service: I have previously worked as an involved resident on school issues, helped to start the Cape Elizabeth Education Foundation, and worked in the state as a Board Member of the Maine Academy of Family Physicians for the last 3 years, as well as SMCC's Health Information Technology Education Advisory committee, The Maine Task Force One State emergency response team, and an Steering Committee for Maine Health Infonet. I am a past leader, and member of St. Alban's Health Ministry Committee, and along with my husband and children have volunteered in other social areas.

Committee No. 1: Recycling Committee

Address: 22 Woodcrest Road

Home phone:

unlisted: No

Work phone:

Occupation: Research Professor

Employer: Sea Education Association

Why these boards?: I have a long-standing interest in waste management and recycling, especially at the household and municipal level. Having lived in a number of different states and municipalities, I have personally experienced the challenges in motivating recycling among residents. I would like to learn more about the "behind the scenes" efforts that are required to set up and promote recycling in Cape Elizabeth.

Skills/Talents: I am a well-organized and analytical person, largely because of my training as a scientist (oceanographer). My current research is focused on plastic pollution in the marine environment, which has given me a broader perspective on waste management issues globally as well as locally. I also spent a number of years teaching undergraduates in the SEA Semester program, in which we take students to sea for 6 weeks on a tall sailing ship. There is no better place than a closed community in the middle of the ocean to consider issues such as what to do with all manner of garbage, and what that means for the community and the environment.

Previous Service: We just moved to Cape Elizabeth from western NY this past summer, so this would be my first involvement in the community.

Committee No. 1: Riverside Memorial Cemetery Trustees

Committee No. 2: Personnel Appeals Board

Address: 84 Oakhurst Road

Home phone:

unlisted: No

FAX: same as land phone

Occupation: retired teacher

Why these boards?: I have had an interest in the policies of the cemetery for a long time. My parents are buried at Riverside.

I am a life-long resident of Cape Elizabeth and have lived in town for over 66 years. I raised 2 sons through the school system and will spend my retirement years here in town. I am a Snowbird who spends 2 months a year in southwest Florida but always returns to the permanent family home on Oakhurst Road in March.

Skills/Talents: I would like to be involved in the expansion plans of the cemetery. I visit my parents gravesites frequently and would like to help in any way I can concerning the upkeep of the cemetery. I have noticed some of the wooden posts need to be replaced and am willing to offer suggestions for the committee to consider.

Previous Service: I was a member of the library board during the 80's when the addition was added to the library. I enjoyed being a member of a group of residents that were successful in adding to the library building.

Committee No. 1: Thomas Memorial Library Board of Trustees

Address: 7 Pilot Point Road

Home phone:

unlisted: No

Work phone:

Occupation: former librarian, research associate

Employer: none/retired

Why these boards?: As a former librarian and an avid library user for 55 years, I believe that a great library makes a great town. Our current facility is in disrepair and lacks the layout and organization to meet the needs of all town users. I'd like to be part of the effort to transition into a facility that we can be proud of and that works for all citizens of Cape.

Skills/Talents: I have been a law librarian, a research associate, a database manager, a fundraiser, and a community organizer, all positions requiring skills that I believe will be useful as a TML Board member. I enjoy new challenges and working hard towards a goal.

Previous Service: CE Recycling Center Committee - 3 years

Chair of Cape Soccer Boosters - 4 years

Chair of Cape Swim Boosters - 3 years

Member, Middle School and High School Parents Association - 6 years

Member, Fort Williams Foundation since 2011. Term ends April 2014

I was also a Cape Girl Scout co-leader for two years, started the Odyssey of the Mind Program at Pond Cove, and organized the initial efforts to create the Turf field at Cape High School.

I currently spend one day a week with the Habitat for Humanity Restore in Portland, Maine.

Employed By Town/School: No

Committee No. 1: Zoning Board of Appeals

Address: 26 Woodcrest Road

Home phone:

unlisted: Yes

Work phone:

Occupation: Civil Engineer

Employer: Fay, Spofford & Thorndike

Why these boards?: I chose to apply for a position on the Zoning Board of Appeals because I feel my professional experience as a civil engineer gives me an in depth understanding of the zoning and land use issues typically reviewed by this board.

Skills/Talents: As a civil engineer, I work with zoning and other land use ordinances on a daily basis. I will bring my experience in understanding, interpreting, and designing to meet ordinance requirements to the Board.

I am also familiar with typical board procedures and application review processes through my experience representing clients in front of Planning and Zoning Boards.

Previous Service: If selected, this will be my first experience serving on a municipal board. In the past, I have volunteered serving meals with the Prebble Street Resource Center in Portland as my schedule has allowed.

Committee No. 1: Fort Williams Advisory Board

Committee No. 2: 250th Anniversary Committee

Address: 5 Fox Hill Road

Home phone:

unlisted: No

Work phone:

Occupation: Supt. of Schools

Employer: Falmouth

Why these boards?: We have lived in Cape Elizabeth for 33 years and have loved Fort Williams and use it regularly. Being a steward for that incredible resource would be a privilege. Also, the 250th anniversary of our town's commissioning is worthy of an appropriate celebration of history, people, and natural resources.

Skills/Talents: I have worked as a public school administrator for over 25 years in a variety of positions, including here in Cape. I have strong organizational and interpersonal skills. I also taught a 3rd grade Portland history unit and incorporated Cape's very interesting past in my curriculum.

Previous Service: Most of my volunteer work has been at the First Congregational Church, where I have been on the mission, trustees, pastoral committees as well as the diaconate. I was also in Cape's League of Women Voters. My work has kept me largely wrapped up time wise but I'm retiring in June and would like to start becoming involved with my own community again.

Employed By Town/School: No

Volunteer For Town/School: No

Town volunteer explanation: Not currently but starting next year would like to explore options for service. I could begin work with a board or committee in January, however.

Flexible Schedule: Yes
