to comment on paper streets¹ in the neighborhood that may also serve as a pedestrian trail. The Town of Cape Elizabeth is undergoing a town-wide process to review its paper street rights, which includes identifying paper streets. Two paper streets, labeled U21-1 and U21-2, have been identified in the Brentwood neighborhood (see below). The preliminary recommendation is to allow the town's rights in both streets to expire, and to retain a pedestrian easement in U21-2. Public comment has identified U21-2 as a pedestrian trail. The public is invited to generally comment on paper streets in Brentwood and specifically on the use of U21-1 as a trail. For more information, please contact the town planner at 799-0115 or maureen.omeara@capeelizabeth.org.

¹A paper street is a street that is shown on a plan recorded in the Cumberland County Registry of Deeds but was never built.
