Dear Town Council Member,

The Cape Elizabeth Land Trust Board of Directors has reviewed the document from the Town of Cape Elizabeth Conservation Commission to be recommended at the June 13, 2016 Cape Elizabeth Town Council meeting regarding the Glew property purchase, public access and trails. We are interested in setting up a collaborative process to work with the Town. We are in agreement with the Conservation Commission recommendation with the following exception:

- As the fee owner of the property (once it is purchased) and as a 501(c)(3) nonprofit organization that operates as an independent organization, CELT would reserve the right for final decision making in the event of a disagreement on trails and types of public access.

NOTE: Decision making referenced above is not in relation to conservation of the property and allowing for public access. These two things will be guaranteed in perpetuity in the documents that are prepared.

Sincerely,

Cynthia Krum
Executive Director
