Public Hearing on the Fiscal Year 2019 Budget

Chairman Sullivan opened the public hearing at 7:04 p.m.

David Hillman, 22 Cranbrook Drive encouraged the town council to send the school board's budget as recommended to the voters. Equity in school funding is needed; towns should ban together to lobby the legislature.

Mary Ann Lynch, 2 Olde Colony Lane supports the school board's recommended budget to the voters.

Susana Measelle Hubbs, 18 Belfield Road, Chairman School Board supports the municipal and school board budgets as recommended. A committee is recommended to review possible funding sources; the committee should begin after the June 12 election. Sherman Altenburg, 13 Stone Bridge Road supports the request of the Cape Elizabeth Land Trust for funding for the purchase of Robinson Woods III.

Lauren Glennon, 3 Garden Circle referenced the Letter of Support: We Support the Proposed School Budget submitted to the town council on May 1. Personally Ms. Glennon also supports the school budget as proposed.

Rob Hubbs, 18 Belfield Road said the proposed school budget is not an increase in ask over prior school budgets. If the loss of funds is not made up the schools won't have the resources to maintain what is a basic level therefore the quality will suffer.

Thomas Esch, 14 Stonegate Road trusts the school board with tax dollars. The proposed school budget should be sent to voters as is.

Corby Atwood, 5 Susan Road said the increase is the same for area schools.

Anne Carney, 21 Angell Point Road spoke about the quality of the process used for the school budget and the hard work to create the budget. The school budget is a compromise to maintain what we have.

Maura Bisogni, 8 Lydon Lane supports the proposed school budget. Look at the intangibles that a school provides. The schools are an example of what the town values.

Ken Lane, 5 Beacon Lane would use the unassigned fund balance to help taxpayers, defer the school facility study, form a coalition to review school funding and not accept students from outside of Cape Elizabeth without charging.

Jennifer DeSena, encouraged the town council to review the school budget in depth to understand the request. It's a circle - those people who work pay into social security for retirees and retirees pay taxes to support the schools.

Item #72- 2018

School Budget Approval

1. ORDERED: Cost Center Summary. That the Town of Cape Elizabeth appropriate the following:

Regular Instruction	<u>\$ 12,268,865</u>
Special Education	<u>\$ 3,377,782</u>
Career and Technical Education	<u>\$ 0</u>
Other Instruction	<u>\$ 886,866</u>
Student and Staff Support	<u>\$ 2,626,017</u>
System Administration	<u>\$ 763,056</u>
School Administration	<u>\$ 1,163,413</u>
Transportation	<u>\$ 820,343</u>
Facilities Maintenance	<u>\$ 3,180,055</u>
Debt Service	<u>\$ 492,050</u>
All Other Expenditures	<u>\$ 62,829</u>
Total Appropriations	<u>\$ 25,641,276</u>

2. ORDERED: **State/Local EPS Funding Allocation**. That the Town of Cape Elizabeth appropriate **\$16,812,487** for the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and that the Town of Cape Elizabeth raise **\$15,566,076** as the Town's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688.

Explanation: The Town's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that the Town must raise in order to receive the full amount of state dollars.

3. ORDERED: **Non-State Funded Debt Service**. That the Town of Cape Elizabeth raise and appropriate **\$492,050** for the annual payments on debt service previously approved by the legislative body for non-state-funded school construction projects, or non-state funded portions of school construction projects in addition to the funds appropriated as the local share of the Town's contribution to the total cost of funding public education from kindergarten to grade 12.

Explanation: Non-state-funded debt service is the amount of money needed for the annual payments on the Town's long-term debt for major capital school construction projects that are not approved for state subsidy. The bonding of this long-term debt was previously approved by the voters or other legislative body.

4. ORDERED: **Food Service Transfer**. That the Town of Cape Elizabeth raise and appropriate **\$62,829** to transfer to the Food Service Program.

Explanation: Monies raised for Food Service are not to be included in the calculation of the Local Additional Funds article because they are outside of the State's Essential Programs and Services funding model.

5. ORDERED: **Additional Local Funds**. That the Town of Cape Elizabeth raise and appropriate **\$7,751,344** in additional local funds, which exceeds the State's Essential Programs and Services funding model by **\$7,751,344** as required to fund the budget recommended by the school board.

The School Board recommends an appropriation which exceeds the State Essential Program and Services model for the following reasons:

The state's funding model does not support all of the costs for K-12 education. It includes only those costs considered essential by the state's Essential Programs and Services (EPS) model.

Explanation: The additional local funds are those locally raised funds over and above the Town's local contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state-funded debt service that will help achieve the Town's budget for educational programs.

6. ORDERED: **Total School Budget Summary**. That the Town of Cape Elizabeth authorizes the School Board to expend **\$25,641,276** for the fiscal year beginning July 1, 2018 and ending June 30, 2019 from the Town's contributions to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, state subsidy and other receipts for the support of schools.
7. ORDERED: **Special Funds**. That the Town of Cape Elizabeth authorizes the School Board to expend sums as may be received from federal or state grants or programs or other sources during the fiscal year for school purposes, provided that such grants, programs, or other sources do not require the expenditure of other funds not previously appropriated.
8. ORDERED: Changes in Anticipated State Subsidy (50% to reduce taxes/50% to fund balance): That in the event the Town receives more state general purpose aid for education than the \$1,246,411 amount included in the school budget, the Town shall use 50% of the extra amount to reduce the amount of taxes raised for the school budget, and 50% to supplement the school department unassigned fund balance; and that in the event the amount of that state aid is less than the amount included in the school budget, the Town Treasurer shall execute a journal entry in the amount of any shortfall to be debited from.
