

Town Manager's Report
November 13, 2019

To begin the Manager's report I would like to first thank all of our veteran's for their service to our country. Secondly, I would like to wish all a happy Thanksgiving. And third I would like to congratulate the Cape Elizabeth girl's soccer team on their second consecutive class B soccer title.

I would also like to congratulate Councilors Caitlin and Penny Jordan on their re-election, and thank Debra Lane and the entire elections staff for their efforts last week, well done!

To that end, the Town Offices will be closed the Friday after Thanksgiving, as well as Community Services and the Library. The Richards Pool and the Fitness facility will operate from 7 am to 11:30 on Thanksgiving Day, and 7 am to 7 pm on Friday, and the recycling center will run on normal hours.

As this week's weather has shown, we are transitioning to winter operations at Public Works. With our maintenance projects for the warm months being put to bed for the season, we will now begin our planning and bid phases for next year.

The Police Department has been providing safety training with all three schools, which has been well received. This is a great training partnership with our school department.

Staff has also begun the de-briefing and follow up on the past season at Fort Williams. Some interesting numbers to know at the start is that we had 92,949 transactions at the parking meters, with 82,914 two hour parking passes, and 6,533 three hour passes being the dominant transactions, as well as 1,420 season passes purchased. The gross revenue was \$410,066 and the net revenue is still in the calculation stage, and I will provide a more detailed report next month.

Respectfully submitted,

Matthew E Sturgis
Town Manager
