Dear Jennifer,

On behalf of the Greater Sebago Educational Alliance, this letter serves as an attachment to the Regional Service Center Part II application.

As of the submittal of the GSEA Part II application, the eleven districts involved have developed the following timeline for bringing the GSEA to full membership. Also included is an overview of the anticipated services each district will access in year one. As is noted below, it appears MSAD #6 and MSAD #15 will be the initial founding members with the remaining nine members joining as their referendum votes are approved.
